Dear Sirs,

We hope this letter finds you healthy and safe.

We thank you for the letter sent today informing us about the APC Invitational Tournament that is scheduled to be held from 27 to 30 October 2022 at the United World College of South East Asia and Tanglin Trust School in Singapore.

It is with great pleasure we approve the organization of the abovementioned tournament as it unites passionate young basketball players and provides them with an opportunity to get exposure to different players from different cultures, which in turn will help develop the skills and talents of future players.

In this regard, we would like to extend our appreciation to the Basketball Association of Singapore for its efforts in promoting the game of basketball in the region and we wish you every success in organizing the event.

Yours Sincerely,
